TEST CERTIFICATE

Enhancement of Microbial Growth on Materials to Come into Contact with Drinking water Test pursuant to DVGW Technical Standard W 270, November 2007

Client: Max Frank GmbH & Co. KG
Mitterweg 1
94339 Leiblfing

Test material: Faserbeton-Mischung TW

Test method: Material test

According to test report **W-364657e-22-SI/Krü** of **19.09.2022**, the material **Faserbeton-Mischung TW** is conform to the requirements for the use in the area of drinking water systems pursuant to DVGW Technical Standard W 270. Details regarding testing procedure and test results are itemized in the test report.

This test certificate is valid from the date of issue and, given that the conditions and legal requirements remain unaltered, expires on **19.09.2027**. The period of validity is 5 years and can be extended upon written request of the client once up to another 5 year term, provided that the specifications of Technical Standard W 270 are met.

The Director of the Institute
